

ZAIGHAM
INTERNATIONAL

Zaigham International

Zaigham International is a global freight forwarding and logistics partner dedicated to simplifying supply chain complexity. We combine decades of industry expertise with agile, technology-driven solutions to ensure your cargo moves seamlessly by air, ocean, road, and rail—anywhere in the world.

ABOUT OUR LOGISTIC

Expertise & Accuracy:

Our seasoned team of licensed customs brokers and logistics professionals ensures error-free documentation and compliance, preventing costly delays and penalties.

Transparent Pricing:

No hidden fees. We provide clear, detailed quotations and regular updates on all charges.

Technology-Driven:

We leverage modern logistics software for tracking, documentation, and communication, ensuring efficiency and transparency.

Customer-Centric Approach:

We assign dedicated account managers to provide personalized service and act as a single point of contact for our clients.

Network & Relationships:

Strong partnerships with major shipping lines, airlines, and port authorities worldwide enable us to negotiate better rates and secure space even during peak seasons.

Problem-Solving Focus:

We anticipate challenges in the dynamic world of trade and proactively develop solutions to keep our clients' supply chains moving.

OUR SERVICE

FREIGHT FORWARDING & IMPORT MANAGEMENT

Ocean Freight (FCL & LCL): Full Container Load and Less than Container Load services from global ports, offering competitive rates and reliable schedules.

Multi-Modal Transport: Integrated solutions combining sea, air, and land transport for optimal routing and cost efficiency.

Air Freight: Expedited air cargo solutions for time-sensitive shipments, ensuring swift and secure global delivery.

Origin Cargo Management: Coordination with suppliers overseas, including pickup, consolidation, and documentation preparation.

IMPORT MANAGEMENT

01

End-to-End Clearance: Expert handling of all customs formalities for imports, from document submission to duty payment and cargo release.

02

Regulatory Compliance: In-depth knowledge of HS Code classification, valuation, and adherence to local import regulations (PSI, PCI, etc.).

03

Duty & Tax Optimization: Advisory services to help clients understand and legally minimize their duty and tax liabilities.

04

Documentation Mastery: Meticulous preparation and processing of critical documents: Bill of Lading/Airway Bill, Commercial Invoice, Packing List, Certificate of Origin, and more.

05

Value-Added Logistics:

- **Cargo Insurance:** Arranging comprehensive insurance coverage for shipments against loss or damage.
- **Warehousing & Distribution:** Short-term storage, cargo deconsolidation, and final delivery to the client's designated location.

OUR VISION

To be the most reliable and innovative logistics partner for businesses engaging in global trade, recognized for our integrity and expertise.

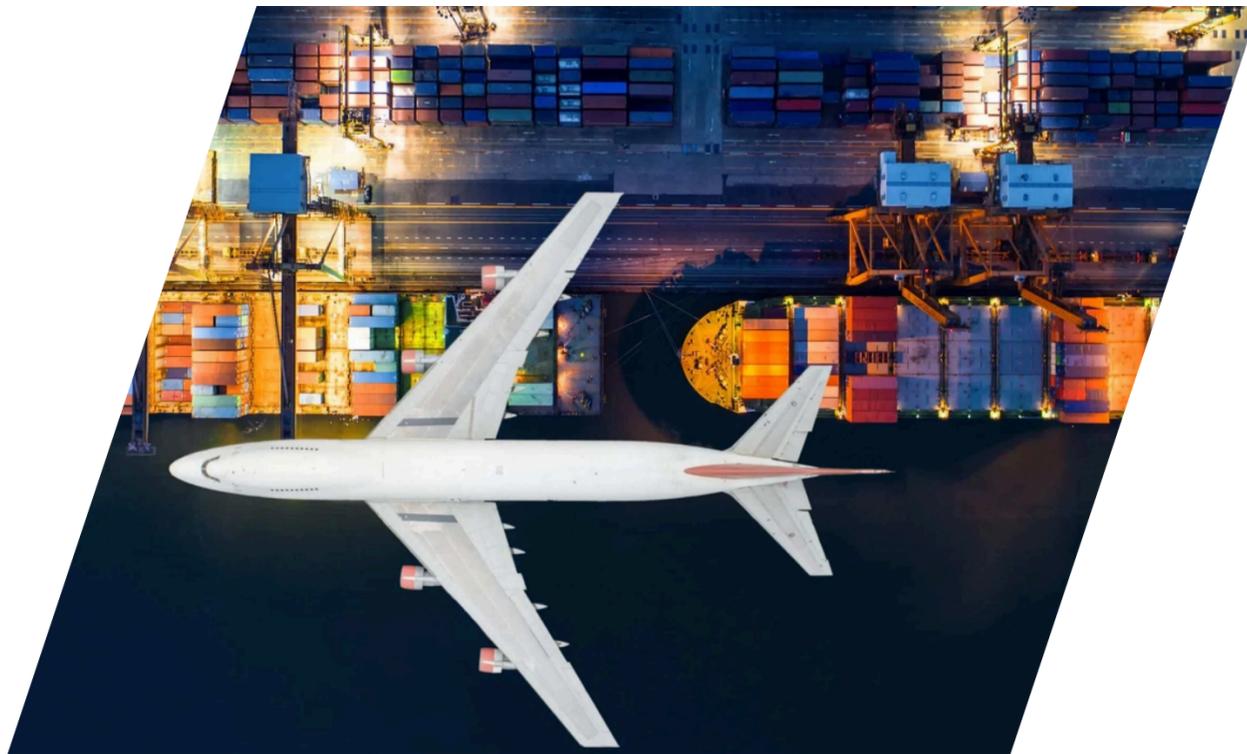

OUR MISSION

To simplify international logistics by providing tailored, transparent, and efficient freight forwarding and customs clearance services, enabling our clients to focus on their core business growth.

OUR PORTFOLIO

Zaigham International's service portfolio is strategically designed to offer a seamless, door-to-door solution for importers.
